World Cup Fantasy 2026: The key info and dates

The final round of group games begins

🤔 [How to play World Cup Fantasy 2026: Quick guide](#) 🤔

- 📅 **Round 3 deadline:** 20:00, Wednesday, June 24
- 🏆 **World Cup final:** Sunday, July 19
- 🚑 **Raphinha** picked up a muscle injury in Round 2 and is one to monitor

[Upgrade](#)

-  **Guaranteed to top group:** Mexico, United States of America, Germany, Argentina
-  **Through to knockouts:** France, Norway
-  **Heading home:** Haiti, Tunisia, Turkey, Jordan

The group stage concludes in Round 3 and rotation could become a factor as teams book their place in the knockouts.

Three teams have made it through at the time of writing (Tuesday, June 23) and due to how the groups are decided, are guaranteed top spot.

For the first time, tied teams will first be ordered by head-to-head record before goal difference, so Mexico, the USA and Germany could rest some of their key players.

Those on Wildcard will look to target teams with something still to play for – but here's how the market odds collated by [FPL Joe](#) rank as the best in Round 3.

-  **Target for goals:** Netherlands (2.85), Ivory Coast (2.77), Morocco (2.62), Belgium (2.50), England (2.49)
-  **Target for clean sheets:** Netherlands (63%), Ivory Coast (61%), Morocco/Belgium (59%)

The Netherlands face eliminated Tunisia and have the pick of the Round 3 fixtures, while Ivory Coast and Morocco are also well worth investing in for wildcarders.

Best World Cup Fantasy 2026 players and differentials: Round 3

- 🏆 **Selected top picks:** Cody Gakpo, Denzel Dumfries, Vinicius Junior
- 😊 **Selected differentials:** Brahim Diaz, Deniz Undav, Yan Diomande

Those on Wildcard will be targeting teams with something still to play for – but guessing which top players will be rotated correctly could be crucial.

Argentina and Germany are among the teams guaranteed to top their group, while France and Norway play each other for their group's top spot.

Will the likes of Messi be rotated while battling for the Golden Boot? It's hard to predict – but it's set to be a round full of ups and downs.

What happened in World Cup Fantasy Round 2?

Jonathan David's hat-trick and assist for Canada – all while earning Scouting Bonus points – was a huge highlight for owners in Round 2.

Popular captain and 12th Man option **Vinicius Junior** netted 12 points, however those who twisted to **Mikel Oyarzabel** were rewarded with a few extra points. The Spanish striker scored twice and assisted for 15 points before being subbed off at half-time.

Kylian Mbappe and **Lionel Messi** continued their goalscoring form, finding the net twice, as did **Erling Haaland**.

Top point scorers: Round 2

- **Jonathan David:** 24pts
- **Cody Gakpo:** 19pts
- **Ayase Ueda:** 18pts
- **Alexander Freeman:** 16pts

Top point scorers: Overall

World Cup Fantasy 2026 booster strategy

The Wildcard booster will be a popular play in Round 3 as fantasy managers look to avoid possible rotation risks.

Here’s an example strategy to follow:

- 🎴 **Wildcard:** Round 3
- 👑 **Max Captain:** Final
- ✅ **Qualification Booster:** Round of 32
- 🏆 **‘Mystery’:** Round of 16

While the details of the Mystery booster have yet to be officially confirmed, it’s believed it could see players who only concede one goal keep their clean sheet points and will be known as the Clean Sheet Shield.

See our chip strategy guide for full details and tips:
